## **From the Worshipful Master: Worshipful Allan Jenkins**

### **My Brothers.**

October was another outstanding month for our lodge, filled with brotherhood, fellowship, and continued growth.

We're proud to share that we **retained both the Column Under Construction and the Traveling Gavel**, demonstrating our continued commitment and participation within the district. These honors are a testament to the dedication and unity of our members who consistently show up to represent our lodge with pride.

Our **Bowling Night** was a huge success, drawing **19 brothers, family members, and friends** for an evening of laughter, competition, and camaraderie. Events like these remind us that the bonds we build extend beyond the lodge room, they strengthen our fraternity and our families alike.

We also **visited Dunedin Lodge**, continuing our efforts to build strong relationships with our neighboring lodges. These visits not only promote fellowship but also embody the true spirit of Masonry—connection, support, and shared purpose.

Lastly, we hosted our **final Family Night of the year**, which was a wonderful success. The evening was filled with good food, good company, and heartfelt conversations—a fitting close to another great year of family engagement and community connection.

### **Looking Ahead – Closing Out 2025 Strong**

As we move into the final months of the year, we're excited for two special events to close out 2025:

#### **Fishing Trip – November 15, 2025**

Join us for a day on the water as we enjoy fellowship, fun, and a little friendly competition. It's a great opportunity to relax, connect, and reflect on a year well spent.

#### **Annual Farmer's Degree – December 6, 2025**

Our annual tradition continues as we honor our roots and close the year with one of the most anticipated events on our calendar. Don't miss this special night of ritual, fellowship, and celebration.

### **A Closing Reflection**

As we approach the end of the year, let us pause to reflect on the strength of our brotherhood. Every meeting, every event, and every shared laugh has reinforced the timeless truth that *Freemasonry is not built by stone, but by men united in purpose*. May we carry that spirit into the new year—stronger, wiser, and ever committed to the craft.

Fraternally,

W.:M.: Allan A. Jenkins

## **From the Senior Warden: Brother Joe Circhirillo**

Brothers,

Our last fish fry for the year was a success. We made money! I look forward to us starting the fish fry back up in January. I want to thank all the Brothers who helped out this year with the fish fries. My heart goes out to you. I can't do it all that work by myself and it's you Brothers that make it a success and without you we couldn't do anything. I thank you, thank you, thank you for your help. I am looking forward to the holidays. I am also looking forward to next year. I'm sure the Worshipful Master is looking forward to his retirement where he can relax. His year is almost over and we have had a good year with WM Jenkins.

Fraternally,  
Brother Joe Circhirillo

## **From the Junior Warden: Brother Thomas Overman**

Nov 6th menu: Hungry Harry's Bar b que pulled pork and pulled chicken, baked beans, potato salad, banana pudding.

Nov 20th menu: Salisbury steak mashed potatoes, green beans, dessert.

Fraternally,  
Brother Thomas Overman

## **From the Senior Deacon: Brother Jack Jones**

My Brothers, as Masons, we are all too familiar with changes, obstacles and workarounds on our own personal journeys, as well as those of our Lodge and Craft as a Brotherhood. Well, we have an adjustment to our upcoming work in "Passing" Brothers Bagnuik and Curtain to the degree of Fellow Craft via the "Farmers Degree." The date of the degree has been moved to **December 6<sup>th</sup>**, in order to give the Brothers additional practice, education and preparation for their EA give-back slated for November.

Let us now continue with a parallel theme to the intellectual and moral maturity of a Fellow Craft *beyond* that of the Winding Staircase...

There exists an even *Holier* symbol connecting a Brother Mason to the pursuit of Truth and ascent to Enlightenment...

### ***Jacobs Ladder***

As we have reviewed in Freemasonry, the middle chamber of King Solomon's Temple is often symbolic of knowledge, wisdom, and the pursuit of "light." It represents a place of learning and growth, where masons gain deeper understanding and moral lessons: it is also the key allegorical setting for the *Fellow Craft* degree. Symbols like *Jacobs Ladder* or the winding staircase are used to represent elevation to higher knowledge and spiritual revelations.

\_\_\_ In Masonic tradition, *The Ladder* is a powerful symbol that usually represents the journey of self-improvement and spiritual ascent. It's often depicted with rungs or steps, and each rung symbolizes a different virtue or lesson, like faith, hope, charity, and so on. The ladder also represents the connection between the earthly realm and the divine, with each step bringing the individual closer to enlightenment and wisdom. It is truly a rich and meaningful symbol in our Noble Fraternity.

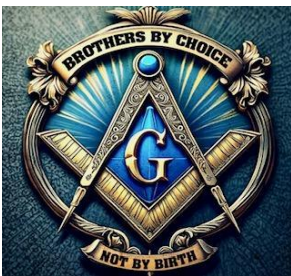

\_\_\_ In Freemasonry, the ladder is often depicted as having three, five, or even seven rungs, depending on the Masonic tradition or degree. Each rung represents a particular virtue or moral lesson. For example, in the three-rung ladder, you might have faith, hope, and charity. In a five-rung ladder, you could have the three theological virtues—faith, hope, and charity—plus prudence and temperance. And with a seven-rung ladder, you'd have even more virtues, including justice and fortitude. Each rung is essentially a step on the path of moral and spiritual growth, guiding Masons toward enlightenment and self-improvement.

\_\_\_ The *power* of the symbolism of *Jacobs Ladder* directly connects all Masons to the Great Geometrician of the Universe by way of the ancient scripture of the Holy Bible found in

*Genesis 28: "And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven; and behold the angels of God ascending and descending on it."*

## **A message from Community DeMolay Chapter**

### **Outdoor Lodge Conclave at The Masonic Park**

This past weekend, members of our District gathered at the outdoor lodge room of The Masonic Park for a memorable conclave celebrating both tradition and fellowship. The setting — with its rustic wooden seating, torchlight, and stone altar — provided a striking and symbolic backdrop for the conferral of the DeMolay Initiatory and DeMolay Degrees.

The day began at 9:00 a.m. with the Initiatory Degree, conducted with dignity amid the natural beauty and quiet solemnity of the park. As evening fell, the DeMolay Degree was conferred by torchlight, the surrounding forest lending an atmosphere of reverence that enhanced the ritual's lessons and underscored the timeless principles of our Order.

Following the formal proceedings, members and guests joined around the campfire for an evening of fellowship. Through shared reflection, conversation, and good humor, the bonds of brotherhood were strengthened, providing a vivid reminder of the enduring spirit of DeMolay.

This outdoor conclave served as both a tribute to our heritage and an inspiration for the future, demonstrating that the lessons and friendships of DeMolay extend far beyond the walls of any lodge building. Plans are already under consideration to make this event a lasting annual tradition within our Lodge calendar.

### **Calling All Young Men!**

DeMolay offers young men the opportunity to develop leadership, character, and lifelong friendships while having fun and serving their communities. ## **A message from Plant City York Rite**

### **Plant City York Rite Bodies at J.F. Swartsel are on the rise!**

As promised, we did receive new members in October and they showed up at the first meeting they could. Plant City York Rite assisted with the Fall Festival held at the Tamp York Rite and hosted by Districts 2 and 3. A good time was had by all.

We have gone back to having our meals at the Lodge before the meeting. This helps us keep cost down and assures most of make it to the meeting on time. 😊 There is a renewed energy at our York Rite and it is good to see. Everyone is excited to help and try new roles.

The best part? We're only getting started.

## **A message from Tampa Scottish Rite**

October was a busy month for the Scottish Rite as well. We had a Fall Reunion where we brought in many new members. Several of which were from J.F. Swartsel. November is going to be another busy month as we will be having Honors weekend on November 8<sup>th</sup>. The weekend will consist of investiture of our new Knight Commander Court of Honor (KCCH) members as well as the coronation of our new Illustrious 33° members during the day and a banquet to follow in the evening.
